## A WORD FROM OUR MISSIONARIES

**Dave and Marian Elliot** are with Global Recording Network Canada. The following is an excerpt from their most recent newsletter:

As I look back over 2015, I can see many positive and exciting things that have happened. I will name a few. Marian and I attended the GRN Council meeting in Thailand. This was the first opportunity for Marian to meet most of the GRN directors and to hear the reports first hand. Our office began supporting the work in Mexico, enabling a recordist to rejoin the ministry. The new base in Tanzania was registered and began receiving support from our office. The new base will enable more recordings to be done in Tanzania and a small team promoting the use of GRN materials to churches and missions. The Kenya office has been very busy with new recording projects for some priority one languages.
