Where in the world?

Thank you to Richard Flemming and the members of the Missions Coaching Team for months of prayerful research.

As a result of the vote last Sunday, the Lord has directed us, as a church family, to partner with fellow believers in Honduras to reach out to hurting, vulnerable members of the Honduran society.

It is also clear from last week's vote that many in the Eastwood family believe we are to be involved in reaching out to those in Lebanon.

Please continue to pray that the Lord will direct us as to how He would have us involved in Honduras and elsewhere.

Quotes by Martin Luther

I also found in other terms an analogy, as, the work of God, that is, what God does in us, the power of God, with which he makes us strong, the wisdom of God, with which he makes us wise, the strength of God, the salvation of God, the glory of God.

And it is true that the doctrine of the Gospel takes all glory, wisdom, righteousness, etc., from men and ascribes them to the Creator alone, who makes everything out of nothing.

That the Holy Scriptures cannot be penetrated by study and talent is most certain. Therefore your first duty is to begin to pray, and to pray to this effect that if it please God to accomplish something for His glory—not for yours or any other person's—He very graciously grant you a true understanding of His words.
