Information about Honduras

Things in Siguatepeque aren't necessarily as they seem.

HONDURAS.com relates these facts about this community, situated in the centre of Honduras:

Best known for its perfect climate and flowering gardens, the city has developed a market niche in tourism that includes religious tourism and convention meetings within Honduras. Its tourism related businesses are usually small family owned enterprises.

And yet ...

This is the community outside of which is located a children's home. Missionary Melodie Francis ministers to orphans and those from extremely poor families.

In the midst of Honduras's beauty and tourism, homelessness among children is a devastating reality, one we are seeking to address.

Please pray for direction—and for those affected.

Quotes by John Calvin

“There is no worse screen to block out the Spirit than confidence in our own intelligence.”

“Seeing that a Pilot steers the ship in which we sail, who will never allow us to perish even in the midst of shipwrecks, there is no reason why our minds should be overwhelmed with fear and overcome with weariness.”

(brainyquotes.com)

“Faith is like an empty, open hand stretched out towards God, with nothing to offer and everything to receive.”

“We shall never be clothed with the righteousness of Christ except we first know assuredly that we have no righteousness of our own.”
